Presentación de la generación 2019

Mark Iver Sylte • Director Ejecutivo

Desfile de graduados

"Forever Young" de Alphaville

"Oye Como Va" de Santana, interpretado por ensamble de jazz de ASF

Martina Duque

Valedictorian

Martina has been a student at ASF for 14 years, beginning in August of 2005. She has been an active member of the school community through her ASF career, connecting with her generation and her friends. In Upper School, she was part of the Varsity swim team and co-captain of the Varsity tennis team. She was co-secretary of Gamma club and co-founder and co-president of Omega club. Additionally, she was a member of other clubs such as Spectrum and Brick by Brick. She was also member of the National Honor Society and enrolled in the IB Diploma. She will be attending Cooper Union in New York City to pursue a Bachelor of Architecture degree.

Enrique Gómez

Salutatorian

Enrique Gómez Gómez Mont arrived at ASF midway through grade 7 after living in Guadalajara for 10 years. He has been a passionate mountaineer since grade 10. This passion has led him to reach the summit of multiple mountains in Mexico and Peru. Additionally, he enjoys bouldering and cross country running. His calmer hobbies include reading, building models, playing video games, and solving problems. Enrique received the AP Capstone diploma in grade 11 and aims to get the AP International Diploma this year. He thoroughly enjoyed the sciences throughout his high school career, with biology being his favourite course. Enrique found pleasure in participating in the Brick by Brick club's projects to build houses and community centers. He also participated in Tech Club, most notably holding different positions to help operate school plays. Enrique plans to attend the Georgia Institute of Technology and major in biomedical engineering.

Martina Duque

Valedictorian

Martina ha sido una estudiante en el Colegio Americano por 14 años, empezando en agosto de 2005. Ha participado activamente en su experiencia académica, conectando con su generación y sus amigos. Fue parte del equipo de natación de la preparatoria y copitana del equipo de tenis. También fungió como cosecretaria del club Gamma y cofundadora y copresidenta del club Omega. También fue miembro de otros clubes como Spectrum y Brick by Brick. Del lado académico, participó en el National Honor Society y completó el IB Diploma. Estudiará arquitectura en la Universidad Cooper Union de Nueva York.

Enrique Gómez

Salutatorian

Enrique Gómez Gómez Mont llegó a ASF a mediados del séptimo grado después de haber vivido en Guadalajara por 10 años. Ha sido un montañero apasionado desde décimo grado. Esta pasión lo ha llevado a hacer cumbre en múltiples montañas en México y Perú. Además de esto, le gusta el *bouldering* y correr a campo traviesa. Sus pasatiempos más tranquilos incluyen leer, construir modelos, jugar videojuegos y resolver problemas. Enrique recibió el diploma AP Capstone en el 11º grado y planea obtener el Diploma Internacional AP este año. Disfrutó mucho de las ciencias a lo largo de su carrera en la preparatoria y la biología fue su curso favorito. Le dio gusto participar en los proyectos para construir casas y centros comunitarios del club Brick by Brick. También participó en el Tech Club, en particular ocupando diferentes cargos para ayudar a operar obras escolares. Planea asistir al Instituto de Tecnología de Georgia y especializarse en ingeniería biomédica.
