# Shakespeare Competition XVII

**Ladies and gentlemen, welcome to the 2019 Shakespeare  
Competition semifinal at ASF!**

For the last 17 years, the Anglo-Mexican Foundation, has gathered some of the finest schools in Mexico to celebrate Shakespeare and give high school students the opportunity to discover the wonders of his works, ASF has gladly been one of the few schools that has participated each and all of those 17 years. For us, it is an enormous joy to be here today for our in-house semifinal from which two winners will get their pass to the Anglo Arts final at Teatro Helénico on March 20<sup>th</sup>. We hope you enjoy every second of what promises to be an extraordinary evening.
